

# Allocations 2017-2018

We advertised **22** vacancies through homehunt, of these 11 were advertised for priority homeless pass holders. 3 properties were subsequently not allocated. We arranged 1 succession, **2 internal transfers** and **4 mutual exchanges**.

Area	Nos. of allocations	1 bed flat	2 bed flat	2 bed House	Average nos. of applicants per property
<b>Totals</b>	<b>19</b>	10	6	3	98
Cockenzie	2	1	1	0	154
Dunbar	2	1	1	0	69
Gullane	2	0	2	0	95
Gifford	2	1	1	0	66
Haddington	4	3	1	0	88
Elphinstone	1	0	0	1	166
North Berwick	1	1	0	0	42
Ormiston	2	0	0	2	181
East Linton	3	3	0	0	54

From this Allocation information you will see over 50% of advertised allocations were to 1 bedroom flats. We advise tenants who are looking for larger properties or houses that a Mutual Exchange with another social landlord is very often a much quicker solution. 4 tenants exchanged last year. We always look at our own tenants needs before we advertise but were only able to accommodate **2** transfers

We have a joint mutual exchange list with East Lothian Council and East Lothian HA called **East Lothian X-Changes**. You can search for a property here:
